WELCOME TO CINEASIA

This is the official convention schedule of events for CineAsia 2023. The schedule includes a listing of all events taking place for the duration of the convention at the True Icon Hall and Icon Cineconic Theatre.

Fully registered delegates will receive an Access Pass. The Access Pass allows fully registered delegates entry into all scheduled events. NOTE: Lost or stolen Access Passes will not be replaced and are non—transferable.

IMPORTANT NOTICE

Security continues to be a major initiative at all CineAsia screenings and product presentations. In order to maintain and protect the integrity of content presented at the convention, all registered delegates have signed NDAs upon collecting their CineAsia credentials. We kindly advise that the use of mobile phones or any other kind of photo or video recording device is strictly prohibited in the theatre.

To further protect product being shown, we will have security personnel at each event utilizing nightvision goggles. Anyone caught using any type of recording device will have their Access Pass confiscated and will be asked to leave the theatre.

We ask that none of the films screened or product featured are reviewed or commented on—regardless of good or bad. Please note, this includes speaking to members of the press, personal and professional blogs, social networking sites like Facebook, Snapchat, Instagram, LinkedIn, Twitter, or likewise.

Thank you.
